*The Airplane: How Ideas Gave Us Wings*

**Wednesday, November 5th 7:00 PM**

Everett

1402 S.E. Everett Mall Way • 425.267.3246

In this entertaining history of the jetliner, Spenser introduces us to pioneers across continents and centuries, sheds new insights on their contributions, and evokes those key moments in history when such innovators as Otto Lilienthal, Igor Sikorsky, and Jack Northrop collectively solved the puzzle of flight. Spenser has spent a lifetime studying aviation as a museum curator at the National Air and Space Museum and the Museum of Flight, and subsequently as an aerospace industry writer.
